

PEG TOLIVER'S 2018 PHOTO CALENDAR

NATURE AT EYE LEVEL

Jewel Case Calendars feature nature photographs by Peg Toliver. Each month is individually printed on semigloss paper. The stack folds flat and when gift-wrapped, the package looks just like a music CD. The case flips up to serve as a desktop display easel.

PRICE \$12 OR \$10/ea for 3 or more

Available at Mika's Bistro and McLean County Art Center
